CHARLOTTE, VT.

Terms

THIS LIST CANCELS ALL FORMER QUOTATIONS.

PRICES SUBJECT TO CHANGE WITHOUT NOTICE.

ORDERS ARE FILLED in the order in which they are received unless a later shipping date is specified. We reserve the right to cancel orders if necessitated by weather conditions or any other reason that is beyond our control.

THIS LIST applies only to bona fide nurserymen, dealers or florists.

WE DO NOT WARRANT any trees, shrubs or plants sold except as to genuineness, except as noted.

ALL CLAIMS for errors must be reported immediately upon receipt of the stock. Any claims for failure of stock must be reported within 30 days. We are not responsible for winter losses or losses due to drought.

THE PURCHASER ASSUMES ALL RISK of transportation. Stock will be shipped express collect unless otherwise arranged.

CASH OR REFERENCES should accompany orders from customers unknown to us. Two percent discount for cash, net 30 days. Overdue accounts subject to 6 percent interest. C.O.D. orders must be accompanied by 25 percent of the purchase price.

PACKING charged at cost.

FIFTY UNITS of the size and variety are sold at the hundred rate, 500 at the thousand rate.

A CERTIFICATE OF INSPECTION is attached to each shipment.

We are NOT in the Japanese Beetle zone.

CERTIFIED NURSERIES within the zone quarantined for Gypsy Moth should request U.S.D.A. certificate. All shipments outside zone are certified.

WILLIAM CROSBY HORSFORD

CHARLOTTE, VERMONT

HARDY NATIVE EVERGREENS—

FOR NURSERY AND REFORESTATION

The trees listed below are carefully collected from the northern Green Mountains of Vermont. All are selected, well-rooted trees, protected from wind and sun as gathered and immediately puddled in clay. Shipments are made at once with stock carefully packed in sphagnum moss.

With proper care a reasonable percentage is guaranteed to live.

The usual spring shipping season begins April 10th* and extends through to June 10th. Fall shipping is from about August 20th to December 1st. We ship earlier or later if weather permits.

Orders are filled in the order received unless otherwise arranged.

We gladly book orders in advance for this coming fall or next spring.

Evergreen seedlings up to 9 inches should be bedded for one year with shade through the summer months. Larger sizes are suitable for lining out in the open field.

* Balsam Fir—May 10th.

TREES FOR REFORESTATION

For reforestation we suggest Hemlock, Spruce, Balsam, White Pine, Sugar Maple, Yellow Birch and White Cedar.

CANADIAN HEMLOCK — TSUGA CANADENSIS

	Per 100	Per 1000
2-4 in. seedlings	\$ 1.00	\$ 5.00
3-6 in. seedlings	2.00	10.00
6-9 in. seedlings	3.00	20.00
